

## Discounted Hotel Accommodations 2009 Maryland Lighthouse Challenge Route

The Chesapeake Chapter wishes your stay in Maryland to be a wonderful one. For your convenience, listed below are the hotels/inns that are offering discounted accommodations along the Maryland Lighthouse Challenge route. The Chesapeake Chapter does not assume any responsibility for these accommodations, only that they are in close proximity to the lighthouses, and/or have been recommended to us by people who work and/or reside in these areas. Please check out the establishments' websites where available and be sure to direct any specific questions to the hotels/inns to make sure they will have the amenities you desire, and will be to your liking. When making reservations at any of the hotels/inns listed, do so by phone and be sure to tell them that you are participating in the Maryland Lighthouse Challenge to ensure the discounted rate. Also--be sure to *reserve early!* These rooms may go very quickly. Listed rates do not include state tax and local occupancy rates. Reservations received after the cut off dates indicated will be subject to availability and at the current daily rate.

Following each listing below is the Maryland County Tourism Office for that area. They may be helpful to you in obtaining any further information you may require (other accommodations in the area, travel brochures, etc)

Note: If you have questions regarding available campgrounds, you can direct those to the local tourism offices as well, or contact me, Karen Rosage at (410) 437-0741 or [challenge@cheslights.org](mailto:challenge@cheslights.org).

For your aid in navigating the state, I also suggest you request a Maryland map online at: [www.marylandroads.com](http://www.marylandroads.com) (click on the section titled *Maps and Brochures*). Maps will also be available along the Challenge route.
