DecoArt® Americana® Acrylic Paint 2 oz. True Blue 104106664

DecoArt® Americana® Acrylic Paint 2 oz. Leaf Green 104106672

DecoArt® Americana® Acrylic Paint 2 oz. Lamp (Ebony) Black 104106681

DecoArt® Americana® Acrylic Paint 2 oz. Cherry Red 104106606

Nicole™ Crafts Wood Candle Holder Large 104446299

Sharpie® Retractable Fine Point Permanent Marker Black 100386374

Nicole™ Crafts Bristle Brush 1 inch White 104125672

Nicole™ Crafts Bristle Brush 1/2 inch White 104125670

Water container

Palette or plastic plate

Pencil

### Step 1

Remove the product label from the candlesticks before beginning project. Refer to project photo for design placement.

### Step 2

With a pencil, referring to the photo, mark the size and placement of stripes, windows, rocks, and shoreline. (You don't need to draw grass - after you paint water, you will paint grass over it from bottom.)

**Step 3**

Alternate Cherry Red and Snow White OR Leaf Green and Snow White, to stripe lighthouse body. Stripe the candle cups with Snow White and Ebony Black (see photo for placement). Let dry.

**Step 4**

When painting rocks, mix a little Ebony Black and Snow White to make grey. Add Ebony Black for shadows and add Snow White for highlights.

**Step 5**

For water, add Snow White to True Blue. Add True Blue for shadows and add Snow White for highlights.

**Step 6**

Use Ebony Black to paint on windows and doors. To outline them, use black Sharpie marker. (It might be too difficult to use brush.) Let dry. You may use sealer to finish the project.
