Work on Fresnel Lenses at Exhibit Center: Training required. This program occurs during the weekday. It is currently suspended due to changes at the Exhibit Center. Please indicate if you would be interested in helping once the program is re-established. A schedule will be sent to those who are interested once the program is re-established. Please check if interested. \_\_\_\_\_

Craighill Channel Front Range Light: The restoration of this light is being done by a non-profit group Historic Place Preservation Inc. Cathy Taylor is the president of that group and is coordinating the preservation effort. If you would like to help out, we are planning a preservation day there this year. Work will be determined by Historic Place Preservation Inc.

Saturday May 12 <sup>th</sup> _____	Rain Date: Sunday May 13 <sup>th</sup> _____

Baltimore Maritime Museum: Seven Foot Knoll Lighthouse and/or Lightship Chesapeake. Work will be assigned by museum volunteer coordinator.

Saturday February 24 <sup>th</sup> _____	Saturday September 29 <sup>th</sup> _____
Saturday March 24 <sup>th</sup> _____	Saturday November 17 <sup>th</sup> _____

Calvert Marine Museum: We will most probably do some spring cleaning at Drum Point and then move over and continue to work at Cove Point Light Station.

Saturday April 14 <sup>th</sup>	Sunday April 15 <sup>th</sup>
---------------------------------	-------------------------------

Chesapeake Bay Maritime Museum: We will do some general clean up to keep the Hooper Strait Light in good shape throughout the season:

Saturday July 7 <sup>th</sup>	Sunday July 8 <sup>th</sup>
-------------------------------	-----------------------------

Ft. Washington Bell Tower Light: We need to continue to replace exterior wood, paint and caulk as we go. There is extensive carpentry work needed here. We have one five day stretch where we hope to do replacement over a period of several days. We hope to have the lift available so we can strip one side top to bottom and then let it dry out before replacing wood.

Thomas Point Lighthouse Maintenance: Understandably access to the site is dependent on availability of transportation AND good weather. For safety reasons, the captain of the boat will always have the last word on go/no go. Work details will be sent with the reminder emails prior to each work day.

Month	Primary Date	Rain date
May	Saturday 19 <sup>th</sup> _____	Sunday 20 <sup>th</sup> _____
June	Saturday 23 <sup>rd</sup> _____	Sunday 24 <sup>th</sup> _____
July	Saturday 21 <sup>st</sup> _____	Sunday 22 <sup>nd</sup> _____
August	Saturday 18 <sup>th</sup> _____	Sunday 19 <sup>th</sup> _____
Sept	Sunday 9 <sup>th</sup> _____	Board Meeting – no rain date

Thomas Point- Available on Short notice: Yes \_\_\_\_\_ No \_\_\_\_\_

Thomas Point Tour Guide: Days and times available.

Lighthouse Histories: We hope to start this project up again. It will consist of writing short histories of each lighthouse on the Coast Guard Web site. Each participant will be assigned a set of lighthouses to research by the project coordinator. After a specified time period these should be submitted and you will receive another set of lighthouses to research. Note- local lights are already done. Histories currently on web site should be updated for changes in their status. \_\_\_\_\_
