 Skills: _____

PLEASE WRITE LEGIBLY OR I CAN NOT CONTACT YOU.

Please confirm you are a Chapter Member Yes ___
[Required to participate.] No ___

Work on Fresnel Lenses: Training is required. The Coast Guard Exhibit Center aspect of this program is currently suspended due to personnel changes. However we do have other lens projects scheduled. Please indicate if you would be interested in helping. A schedule will be sent only to those who are interested. Please check if interested. _____

Craighill Channel Front Range Light: The restoration of this light is being done by a non-profit group Historic Place Preservation Inc. Cathy Taylor is the president of that group and is coordinating the preservation effort. If you would like to help out, we are planning a preservation day there this year. Work will be determined by Historic Place Preservation Inc.

Saturday May 24 th	Rain Date: Sunday May 25 th
-------------------------------	--

Baltimore Maritime Museum: Seven Foot Knoll Lighthouse and/or Lightship Chesapeake. Work will be assigned by museum volunteer coordinator.

Saturday February 23 rd	Saturday November 1 st
------------------------------------	-----------------------------------

Saturday March 29 th	Saturday November 22 nd
---------------------------------	------------------------------------

Calvert Marine Museum: We will most probably do some spring cleaning at Drum Point and then move over and continue to work at Cove Point Light Station.

Saturday April 12 th	Sunday April 13 th
---------------------------------	-------------------------------

Hooper Island Work Day: If the Chesapeake Chapter is awarded the Hooper Island Lighthouse we will want to do some general clean up. That is what this weekend is for. Preference will be given to volunteers who have contributed to other projects.

Saturday July 12 th	(Rain Date) Sunday July 13 th
--------------------------------	--

Ft. Washington Bell Tower Light: Maintenance work. Additional days may be scheduled during the work week if needed for additional repairs. Available during the week Monday – Friday for additional work days to be scheduled as needed. _____

Saturday April 26 th	Saturday June 7 th
---------------------------------	-------------------------------

Saturday August 23 rd	
----------------------------------	--

Old Coast Guard Station on Assateague Island. Assignment will depend on what is needed at the station. Work will be assigned by the Park Service. If you wish to spend the night, you must sign up for one of the two work dates:

Saturday October 18 th	Sunday October 19 th
-----------------------------------	---------------------------------

Please check if you are interested in spending night at the Old Coast Guard Station if it becomes an option: _____

Chesapeake Chapter U.S.L.H.S Volunteer Schedule 2008

Thomas Point Lighthouse Maintenance: Understandably access to the site is dependent on availability of transportation AND good weather. For safety reasons, the captain of the boat will always have the last word on go/no go. Work details will be sent with the reminder emails prior to each work day.

Month	Primary Date	Rain date
May	Saturday 10 th	Sunday 11 th
August	Saturday 2 nd	Sunday 3 rd
October	Saturday 4 th	Sunday 5 th

Thomas Point - Available on Short notice: Yes _____ No _____

Hooper Island - Available on Short notice: Yes _____ No _____

Lighthouse Histories: This project consists of writing short histories of each lighthouse on the Coast Guard Web site. Each participant will be assigned a set of lighthouses to research by the project coordinator. After a specified time period these should be submitted and you will receive another set of lighthouses to research. Histories currently on web site should be updated for changes in their status. _____

Would you be interested in volunteering in some other capacity for the Chapter? Please check if you are interested in the following areas:

Education Program: _____

Speakers Bureau: _____

Should I contact you (via email) if other lighthouse projects are scheduled? _____
